

Adding AmazonSmile to the Home Screen on your Apple device:

Note: Amazon is working on integrating AmazonSmile into the Amazon App on Apple devices.

Follow the directions below to create a shortcut icon on your home screen for Amazon Smile. OR you can save your cart through your Amazon App, and then check out by typing AmazonSmile in your internet browser.

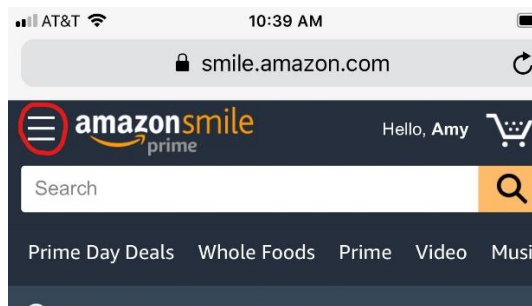

To create a shortcut icon:

1. Open Safari.

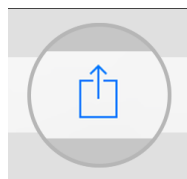

2. Go to <https://smile.amazon.com>.

3. Under settings in the drop-down menu choose "Your AmazonSmile."

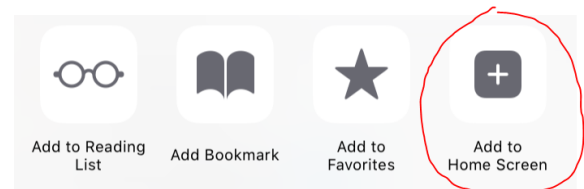

4. Change your charity to Quechua Benefit by typing the name or searching for it.

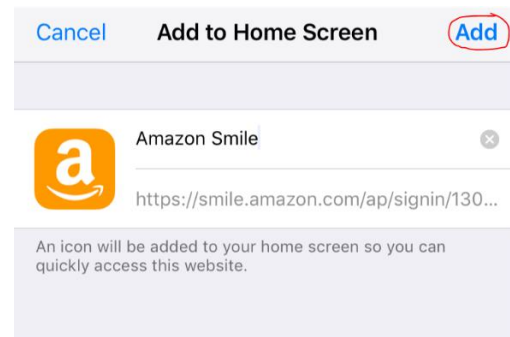

5. Tap the **download** button at the bottom of the screen.

6. Swipe left until you see "Add to Home Screen" and select it.

7. On the next screen select "Add." The icon will appear as "Amazon Smile." If you would like to give it another name you can choose to do that before you select "Add."

8. The **Amazon Smile** icon will appear on your home screen, and you're ready to Shop!
